

# Energy Efficiency for Tenants

## Energy Saving Trust

---

Provide general sustainability advice to domestic, commercial and industrial customers on a range of topics from energy efficiency, renewable energy and sustainable transport. They also administer a range of loans and grants.

## GHeat

---

Glasgow Home Energy (G-Heat) has been established to provide independent advice on energy related issues to householders in the city on a face to face basis, in their homes, and assist in Glasgow City Council's strategic aim of eliminating Fuel Poverty.

[www.g-heat.org.uk](http://www.g-heat.org.uk)

## Glasgow Peoples Energy

---

An extension of GHeat, this is a fuel switching service. The service is completely impartial and will find you the best prices available from over 18 different energy suppliers who provide gas and electricity.
